Toscana

The Toscana collection blends the elegance of Spanish design with British colonial style. Each piece is fashioned from solid wood with carefully selected veneers. Many pieces are adorned with simple yet stylish scrolled metalwork, giving Toscana a classic, antique and elegant finish.

The design is brought to life by elegant pedestals, chamfered edges and deep tops. The overall design is accentuated by classic half barrel pilasters.

All pieces are hand-finished to give Toscana a beautiful antique look.

Occasional Range

Surround yourself with the quality of the Toscana occasional range. Rich in texture and depth of colour, the coffee, console and end tables are adorned with wrought iron brackets and aged by hand to create an authentic colonial feel and a unique living space.

Large and varying mirrors are bold and make the perfect companion to the console table and sideboards.

Bedroom Range

Designed for grandeur the Toscana bedroom range is as inviting as it is beautiful. With its solid thick wood and carefully chosen veneers the range is alive with character.

Large chests and full hanging wardrobes supply enough storage for any bedroom, while the bed dominates the room with authority exposing its classic metalwork.

Dining Range

The Toscana dining range recreates the elegance of age-old Hispanic cultures. The pieces are brought to life by their attention to detail. The deep-top dining table allows for half-barrel pilasters that exude boldness and grandeur which is reinforced by the three column legs of the table.

The accompanying brown leather studded dining chairs blend seamlessly with the collection and accentuate its overall aesthetic. The leather chair is also available in ox-blood leather and in brown without studs.

Impressive sideboards with dovetailed drawers and aged brass handles make the perfect accompaniment to a dining range, providing a functional large storage capacity.

specifications

At Zocalo ☐

keep it this way.

Wash and polish cabinets once or twice each year. Always clean wood furniture before polishing and always use a light coat of quality furniture polish, then dust regularly with a soft clean cloth.

Keep home furniture out of direct sunlight and away from direct heat, which can cause heat damage and bleaching of the wood, splitting and warping.

Dimensions are displayed in Width x Depth x Height.

These photographs & designs are the legal property of ☐ process this brochure may not represent the true colour of furniture. Specifications and dimensions are correct going to press. Subject to change without notice. Please note that solid wood is a living material and variance in colour and slight imperfection are natural characteristics.
